

### **iPhoto Project**

- ☐ Create an iPhoto album with at least 20 images on the topic of your choice.
- ☐ After you create your album, turn it into a Slide Show.
- ☐ Change the default settings of the Slide Show.
- ☐ Include titles on slides if appropriate.
- ☐ Keep in mind that you will later be adding narration to this Slide Show.
- ☐ Export as a large movie.
- ☐ Share with group.

### **Project Ideas:**

- \* Travel Brochure
- \* Topic of Interest (person, place, thing, event, etc.)
- \* Photo Collage (of an event like a field trip, assembly, etc.)
- \* Movie or Book Montage
- \* Movie of images to evoke a mood, time period, etc.)
